ANGLING REGULATIONS

1962

LICENSES

Resident and non-resident anglers require licenses if sixteen years of age or over.

A non-resident angler under the age of sixteen years may engage in angling without a license if accompanied by a member of his or her family who holds a valid angling license.

Any bona fide resident of Canada shall be eligible for a resident angling license in Manitoba.

Resident Angling License \$1.00
(valid from April 15th to March 31st)

Non-Resident Angling License \$6.50
(valid from April 15th to March 31st)

EXPORT COUPONS HAVE BEEN DISCONTINUED. LEGAL LIMITS OF FISH MAY BE EXPORTED AFTER EACH RE-ENTRY TO MANITOBA.

A special license is required in the **Riding Mountain National Park** and may be procured from the Park authorities. A Park license is not valid in any other part of the province.

A license is not transferable and shall be used only by the person named therein.

A license is not valid until the angler has signed his name in the space provided.

A licensee must carry his license with him when engaged in angling and produce it upon request of any Law Enforcement Officer.

LOST LICENSES. If an angler loses his license and wishes to continue fishing, another license must be purchased. Under the circumstances, no refunds will be made.

LICENSES MAY BE PROCURED FROM THE DEPARTMENT OF MINES AND NATURAL RESOURCES, Room 1003, Norquay Building, 401 York Ave., Winnipeg, Manitoba; TOURIST ENQUIRIES OFFICE, Room 101, Legislative Building, Winnipeg; CUSTOMS OFFICERS ALONG THE INTERNATIONAL BOUNDARY; AT MANY SPORTING GOODS STORES, AND AT MOST FISHING CENTRES THROUGHOUT THE PROVINCE.

WINTER ANGLING

The angling seasons on most species are now continuous from early summer to March 31st following and winter angling is permitted on all waters except fish sanctuaries.

LIMITS

MINIMUM SIZE LIMITS

THERE ARE NO SIZE LIMITS ON FISH CAUGHT BY ANGLING. FISH OF ANY SIZE MAY BE RETAINED. ANY FISH RELEASED SHOULD BE RETURNED TO THE WATER UNINJURED.

DAILY CREEL LIMITS

Aggregate—All species

hereafter	Not more than 10 fish
Arctic Grayling or Arctic Charr	Not more than 6 fish
Goldeye or Mooneye	Not more than 6 fish
Lake Trout	Not more than 5 fish
Largemouth or Smallmouth Bass	Not more than 6 fish
Muskellunge	Not more than 2 fish
Northern Pike	Not more than 8 fish
Pickerel (Walleye) or Sauger ..	Not more than 8 fish
Rainbow Trout or Brown Trout	Not more than 5 fish
Speckled (Eastern Brook) Trout excepting Gods River, Island Lake River and Kanuchuan Rapids	Not more than 5 fish
Speckled (Eastern Brook) Trout Gods River, Island Lake River and Kanuchuan Rapids	Not more than 2 fish
Splake (Hybrid Trout — Speckled x Lake)	Not more than 2 fish
Sturgeon	Not more than 1 fish
Whitefish or Sheepshead	Not more than 6 fish

POSSESSION LIMIT

Not more than 20 fish, perch excepted, nor more than double the daily limit of any one species excepting Gods River, Island Lake River and Kanuchuan Rapids where the possession limit for Speckled (Eastern Brook) Trout is not more than two fish.

In checking limits, two fillets shall be deemed to equal one fish and every fillet shall be considered as coming from one of the above species unless proven to be otherwise.

PROHIBITIONS

THE POSSESSION OR USE OF LIVE MINNOWS OR LIVE FISH FOR BAIT IS PROHIBITED.

No person shall catch minnows for his own use except by means of a dip-net or a single minnow trap and the minnows taken shall be killed and preserved immediately.

No one shall transfer any live fish from one water area to another except by authority of the Minister.

The use of more than one rod and line, or one line, by an angler is prohibited except that in winter angling two rods or lines may be used.

Not more than two hooks or two lures may be used on one line.

The use of set lines by anglers is prohibited and no angler shall leave a fishing line unattended.

The use of a dip-net, spear, gaff hook, snare, snagger, firearm, explosive, artificial light, mechanical or luminous bait in the taking of fish is prohibited, except that—

- (a) an angler may use a dip-net or gaff hook, to land a fish caught with hook and line;
- (b) a skin diver may take coarse fish by means of a spear or speargun;
- (c) a resident may use a dip-net during April to take coarse fish for his own use but not for sale or barter.

COARSE FISH INCLUDES SUCKERS, CARP, BURBOT (Maria), BULLHEADS and CATFISH.

The use of power boats for fishing is prohibited in Camp, Lost, Lyons, Persse, Tees and William lakes.

An angler fishing in Gods River, Kanuchuan Rapids or Island Lake River shall use only lures with single barbless hooks.

No one shall buy, sell, or offer for sale any fish caught by angling.

Shelters used in winter angling must be clearly identified on the outside with the name and address of the owner and the shelter shall be removed from the ice not later than March 31st.

FISH SANCTUARY

No fishing is permitted in any part of South Lake (lying south of Clear Lake in Township 19, Range 19 W.P.M.) which has been set apart for the natural and artificial propagation of fish.

MANITOBA MASTER ANGLER AWARDS — 1962

Manitoba Master Angler badges and certificates will be issued to anglers who catch qualifying fish on rod and line anywhere in Manitoba.

The following species are eligible for the Master Angler Award if the individual weight of each fish matches or exceeds the minimum weight requirement.

CLASS	MINIMUM WEIGHT
NORTHERN PIKE	18 pounds
MUSKELLUNGE	20 pounds
PICKEREL (Walleye)	8 pounds
LAKE TROUT	20 pounds
BROOK (Speckled) TROUT	4 pounds
RAINBOW TROUT	4 pounds
SMALLMOUTH BASS	3 pounds
LARGEMOUTH BASS	3 pounds
SILVER BASS (Sheepshead)	10 pounds
SAUGER	2 pounds
STURGEON	30 pounds
PERCH	1 1/4 pounds
GRAYLING	2 pounds
ARCTIC CHARR	5 pounds
SPLAKE	4 pounds
BROWN TROUT	4 pounds

— RULES —

1. There is no entry fee for the Master Angler Award.
2. Any angler, resident or non-resident, may apply for the Master Angler Award by completing the official affidavit on reverse side.
3. Fish must be caught on rod and line and played by one person only.
4. Fish must be caught in the Province of Manitoba during the legal angling season for the species taken.
5. Not more than one badge will be issued to any one angler but certificates will be awarded for all qualifying fish.
6. Affidavits should be mailed to Fisheries Branch, Norquay Bldg., 401 York Ave., Winnipeg, Man. within one month of date of catch.
7. Sideview photograph of the fish should be submitted with the affidavit if possible.
8. Before this affidavit can be accepted, the truth of the statements must be attested before a qualified officer such as a Notary Public, Commissioner for Oaths, Justice of the Peace, Sheriff, Clerk of a Municipality, Postmaster, member of the R.C.M.P., officer of Her Majesty's forces, etc.
But not a Conservation Officer unless he is a Commissioner for Oaths.
